## What is STAR Touring and Riding?

Conceived in 1995 and founded in 1996, STAR Touring and Riding Association is an international family riding organization. As the “official STAR Organization of Yamaha Motor Corp.”, STAR is a non-political, non –confrontational association. Its main focus is on family, fun, camaraderie and RIDING. All brands of motorcycles are welcome. Comprising over 20,000 families and over 150 chapters, STAR recognizes safety as a first priority. The STAR community is a mix of riders with varied riding experiences. Chapter rides follow the highway laws and limits, to keep everyone as safe as possible. This allows everyone to enjoy the ride and not have new riders feel overly stressed. STAR chapter rides do not include “tavern runs”, and consumption of alcoholic beverages on chapter rides is prohibited. We want to see you back safely for the next ride. If you are looking for a family motorcycle association, with a lot of pride, spirit and camaraderie without the “attitude”, you have found the right organization. Come ride with us and feel the spirit!
