

## RIDE WAIVERS

All chapter sanctioned rides require that a current ride waiver be on file with the chapter. The ride waiver is good for one year so it only needs to be signed once at the beginning of each riding season or before your first ride with the chapter.

By signing the waiver you acknowledge that riding motorcycles is a dangerous activity and that you are solely responsible to determine the safe speed and operating characteristics of your motorcycle while on the ride. You are also confirming that you have a valid license and have motorcycle insurance as required by law.

The waiver is also a release and hold harmless agreement for STAR Touring and Riding, the chapter involved, and all members of the association.

Ride waivers are available at monthly chapter meetings and at sanctioned rides from the ride captain. If you are planning to ride with the chapter for the first time as a guest, you may contact the chapter president or webmaster and have a waiver emailed or faxed to you prior to the ride. Links and phone numbers are available on the web pages to contact us regarding participation and waiver forms.

Remember to Ride Safe and Enjoy the Ride.
